11. Protests

All protests must be in writing and must be submitted within 30 minutes of unofficial results being posted. Results are posted at the scoring trailer. At the event, the rider making the protest must have at least one other witness sign the protest for the protest to be official. If any officially designated spotter turns a rider in for a rule infraction, the rider will be penalized. It takes 2 people, (non officials) racers or spectators to turn in a racer who has cut the track. Penalties are left up to the discretion of Torn Racing, LLC officials. At the event, the rider making the protest must have at least one other witness sign the protest for the protest to be official.

If a rider is protested and the person protesting wants the bike torn down, \$200.00 must be put down as a security deposit. The bike will be torn down by a TORN official. If the bike is found legal by the TORN official, the bike owner will receive the \$200.00 security deposit as damages for the unnecessary protest. If the bike is found illegal by the Torn Racing, LLC official, the protester receives the \$200.00 security deposit back and the illegal rider will lose the points of the current race and one previous race.

12. Pit Riding

1. Four wheelers, mules, pit bikes, etc. are allowed. However, Zero Tolerance policy exists for misuse or endangering People or property. Action will be taken for those who do not pit ride responsibly. Any person caught acting inappropriately, that means, speeding through the pits, doing donuts or wheelies in the pits, crossing the track dangerously, out of camp after curfew, the number that is displayed on the pit vehicle will be the one that receives the punishment.
2. ALL pit vehicles must have the rider number displayed on the front or rear of the vehicle.
3. NO personal cars or trucks are allowed anywhere outside the camping area.
4. All spectators, racers and family members must stay clear of the marked race course during all practice and race events. It is not the responsibility of the rider that is racing on the track to yield to spectators, the spectator MUST yield to the racers on the race course.
5. Maximum speed in the pits is 10mph or 1st gear, whichever is slower.

13. Safety Regulations/Equipment–

1. Four wheelers are not allowed on the marked track for any reason.
2. Protective gear is mandatory (helmet, boots, shirt, and full length pants). Protective eye wear and shoulder pads anytime on race track is strongly recommended.
3. It is strongly recommended that no person under 16 be allowed to ride motorcycle, four wheeler or any pit vehicle without a helmet.
4. All pit vehicles must display a race number. The race number displayed must be the race number of the highest ranking rider. For example, if you have a peewee 50cc amateur, Open Intermediate, and an Over 30 Expert, the number to be shown on the pit vehicle will be the number of the “Expert” rider. If any person is caught acting inappropriately, (speeding through the pits, doing donuts or wheelies in the pits, crossing the track dangerously, out of camp after curfew, etc.) the number that is displayed on the pit vehicle will be the one that receives the punishment.
5. Please be aware of your surroundings at all times. It is not the responsibility of the rider that is racing on the track to yield to spectators, the spectator **MUST** yield to the racers on the race course.
6. At the start of each race, please stay on one side or the other until all bikes have left the starting line. Crossing the track before all lines have left will be a penalty to the racer of the person who caused the infraction.

14. Move-ups

1. Racers moving up a class voluntarily will receive points based on their finish in the class they are moving into. If you are bumped you will receive points based on your finish in the class you are bumped to. You are only allowed to carry these points within the **FIRST** 4 races of the season and after that you receive last place points. Lateral moves made within the **FIRST** 2 races of the season will carry points based on how they finish in their new class, but after 2 races, last place points will be carried.
2. If a rider requests to move down or is moved down by a TORN Racing, LLC official, last place points are given.

15. Mandatory Bumps

1. After 1st event of the year it is TORN Racing, LLC’s discretion if a rider has unrealistic lap times and must be bumped. If TORN Racing, LLC feels you have unrealistic lap times you are considered **SANDBAGGING**. TORN RACING, LLC will notify the racer that they must pick another class which would be more appropriate.

16. Rider Conduct/Discipline

1. At 9:00pm Friday/Saturday, everyone must be in the camping area. You may ride your four-wheeler/pit vehicle from camp to camp only until 10:00pm. At 10:00pm, there are no motorized vehicles are allowed inside or outside of the camping area, except for TORN RACING, LLC workers and officials. You may walk around but no riding on your four wheeler/pit vehicle. Any one caught riding a pit vehicle past 10:00pm will be penalized.
2. Racers are prohibited from shortening the track in any way such as cutting out obstacles or taking trick lines (cutting inside of ribbon or marked trail) If a rider loses control, and goes out of bounds or is knocked off the track, he/she must re-enter the race course at the same place or as close as physically possible to the location that they exited the course. Failure to do so could result in a docked lap or a DNF. If it is determined that a rider intentionally cut a section of the track to avoid an obstacle such as a jump or “woop”, or to gain position, the rider could receive a docked lap or a DNF.
3. If a rider has to leave the race track and return to their pit for gas, mechanical problems, or any other problem, the pit speed and pit rules still apply.
4. Any TORN RACING, LLC official, (the starter of the race, score keepers, finish line officials, etc.) all have authority to penalize up to a DNF for any racer or spectator acting inappropriately on or off the race track. TORN RACING, LLC racers has a Zero Tolerance policy for any verbal behavior conduct, reckless or drug/alcohol induced abusive behavior. There is to be absolutely no fighting. If any of the said should occur, this could result in removal from the event with no refund.
5. If any person is caught acting inappropriately, (speeding through the pits, doing donuts or wheelies in the pits, crossing the track dangerously, out of camp after curfew, etc.) the number that is displayed on the pit vehicle violating the rules will be the one that receives the punishment.
6. Penalty for unrealistic lap times will be up to a DNF.
7. Anyone found modifying the track other than a TORN RACING, LLC official may be disqualified or removed from the track.

8. No passengers allowed on bikes on race track at any time other than in the event of an injured or broken down rider.
9. Penalty for letting another person race for you will be up to disqualification.
10. Racers without proper numbers and background will be given one warning, and then second warning could cause a rider to be a DNF.
11. Anyone practicing after the red flag is out, including starts, will be subject to disciplinary action, up to disqualification.
12. If any officially designated spotter turns a rider in for a rule infraction, the rider will be penalized. It takes 2 people, (non officials) racers or spectators to turn in a racer who has cut the track. Penalties are left up to the discretion of TORN RACING, LLC officials.
13. All racers committing starting line infractions (jump starts, rolling starts, or practice starts under a red flag) will be penalized by being black flagged for time left up to official.
14. Racers must finish their race on the same bike the rider started the race with. **The first corner is where your start is counted.**
15. Any discipline infractions could result in removal from the event with no refund.

17. Scoring

1. There is a 30 minute protest period that starts when the unofficial results are posted after each event. After the 30 minutes, the results become official and awards can be given. See sections above describing protests.
2. In order to receive finishing points, a rider must finish the race with minimum amount of time unassisted, and have his/her finish recorded by a TORN RACING, LLC official. Minimum amount of time consists of 50% of your timed event. For example, if your event is a 60 minute race, you must race at least 30 minutes of your race to receive finishing points.
3. Racers must start the race and make one complete lap that is recorded by a TORN, LLC official to receive 5 points.
4. All racers are required to SLOW DOWN in the scoring chute to have their numbers recorded properly.
5. All racers are required to purchase and install an electronic scoring transponder. If the transponder is lost the rider must purchase another at his/her expense.
6. The TORN RACING, LLC series will consist of 10 events with one drop allowed for all classes (including Pro). All classes must race at least 7 events to be eligible for year end awards. Racers who race ALL 10 races will receive an extra 6 points added to their year end points total. **To get the 6 bonus points, you must make one complete lap and record a realistic lap time on the scoring computer.**
7. All Teams are allowed 6 drops for the year. That is 6 drops for the entire team, not per team member.
